

## **Davey 10<sup>th</sup> in Final Practice**

Davey Hamilton, Eagle Idaho, participated in the traditional "Carburetion Day" at Indianapolis in final preparation for Sunday's 92<sup>nd</sup> running of the Indianapolis 500. Practice only lasted 12 minutes due to rain. Davey ran a total of 8 laps achieving a top speed of 220.116 MPH on his 5<sup>th</sup> lap in his #22 The Computer is Personal Again HP/ Kingdom Racing, Vision Racing Dallara/Honda/ Firestone car. This was 10<sup>th</sup> quick on the days speed chart.

Davey was quickest of the 3 cars for Vision racing, teammate Ed Carpenter was right behind Davey on the Speed chart with a 220.062 lap and A.J. Foyt IV was 15<sup>th</sup> on the chart with a 217.656 lap. Dan Wheldon was quickest on the day with a 223.934 lap.
